

Eden Church VBS 2020: The Armor of God Belt of Truth Mission Project: Notes of Thanks to Pastors

Introduction:

Our pastors have a really big responsibility to lead our churches and teach us the Truth found in God's Word, the Bible. Let's take a few minutes this week, and write some thank you notes. Maybe you could write notes to the pastors of your church or family members that are pastors. Maybe you could make a card for a pastor of one of our churches here in Mason, too. Some of the local churches and pastors are listed below. But, your church or pastor isn't on our list, maybe you could have a parent help you search for its information online. Let's spread Christ's love and care this week by saying, "thank you" to our pastors.

Materials:

1. Paper - White Copy Paper or Colored Construction Paper
2. Writing Utensils
3. Stickers - optional
4. Envelopes
