

## Eden Church VBS 2020: The Armor of God Sword of the Spirit Craft

### Materials:

1. Cardboard
2. X-acto Knife
3. Ruler
4. Pencil
5. Scissors
6. Heavy Duty Aluminum Foil
7. Duct Tape
8. Packing Tape
9. Items for Decorating (stickers, marker, glitter, jewels, etc...)

### Directions:

1. On the cardboard, draw out the outline of a sword. It may work best to cut out two identical pieces and tape them together, if your cardboard is on the thin side. Also, be sure you round off the tip of the sword, for safety!
2. Wrap aluminum foil around the blade of the sword, taping it down at the end. (If you don't have aluminum foil, you can use duct tape to wrap the blade, instead.)
3. Use duct tape to wrap the hilt (handle) of the sword.
4. Decorate the hilt of the sword any way you like with stickers, gems, markers, etc...
